### The Premises:

Debbies as mentioned before is an old school brothel which is situated very close to Annerley Station and has a front entrance on the high street and a very discreet entrance at the rear.

It is very clean and the decor is nice, it has a decent shower and the maids and Debbie herself are very friendly and put at ease straight away.

### The Lady:

I have been going to Debbies for approx 7 years and I have been very privileged to see a lot of the girls (Young & Mature) within that time, but I can honestly say that Violet is without doubt the most stunningly natural looking girl that I have seen there.

She wears hardly any make-up and does not need to wear any, she has lovely long blonde that flows down her back, and a figure that has to be seen to be believed.

Violet is 5'6" tall and 34DD-24-34 figure which is amazing, she is a goddess in my eyes.

### The Story:

For some reason I have never seen Violet before although we have had a couple of very nice conversations while I was waiting to see one of the other ladies at Debbies. She is very friendly and so natural, even though this was my first time with her, I felt that I had known her for years. Great personality and we found we had lots in common which made the session even better.

When we got down to business the 45 mins flew by and I felt that it was the best GFE that I have ever had. Great kisser and the massage was mind blowing, we then explored each other's bodies but taking our time and def not rushing. There was a lot fondling and the oral I performed on her was well received, she then proceeded to massage me with her breasts, hair and hands and I was really ready to shag her, Violet then decided to get on top and give me a 'Reverse Cow-Girl' which was fantastic and I came quite quickly but it was amazing.

Will I be going back to Violet, of course I will...

GREAT GIRL
