### The Premises:

Inna's flat was very clean and tidy and had a very welcoming feel about it. The bedroom was neat and the bathroom was very nice. Parking is not easy but it is very close to the station.

### The Lady:

Inna was even more beautiful than her photos. She was your archetypical Scandinavian with beautiful blonde hair and a nice tan. Her legs were long and shapely and she had clearly made sure she was ready to meet me despite the short notice. She has a beautiful smile and is very welcoming, immediately putting me at my ease.

### The Story:

I arrived and was greeted by a dazzling smile of welcome. She was dressed in a matching set of black lingerie and a black negligee which contrasted nicely with her blond hair. She invited me in and offered me a drink and complemented me on my colour before getting the drink I had asked for. She then led me upstairs to her bedroom where we kissed and caressed each other. She slowly took off her negligee before undoing my shirt and kissing my nipples. We then both hurriedly undressed and retired to the bed where we kissed and caressed each other again. She let me pamper her by kissing and playing with her beautiful breasts and nipples before I tuned her over to kiss and ream her asshole. She seemed to enjoy the attention I was giving her. After playing with her beautiful ass I went down on her to luck and suck her by now wet pussy. She clearly appreciates this and lay back to let me enjoy myself. Then it was my turn and wow can she give a great blow job, making me hard both by sucking my penis and my balls. She then slipped on a condom in such a way I was almost unaware she had done so. She climbed on top and rode me like a woman possessed. Part way through we switched positions enabling me to ride her until I came. We then relaxed just chatting about her plans and holiday before she started to suck my very sensitive nipples getting me hard again. She sucked my cock and balls until I came over her breasts. It was a wonderful hour with a wonderful lady and a true GF experience once that I will be repeating as soon as possible
