The Premises:

Excellent facility, reported on many times before...parking free. Shower needed fixing, apart from that first class.

The Lady:

Perfectly formed, elfin like good looks, superb figure, the pic on the site are accurate, what you dont get from them is just what a pretty little thing she is!!

The Story:

Ive been looking forward to visiting Ego for some time but never found myself that far south for a long time, anyway, finished my meetings early and phoned to see who was available, hoping Poppy would be....bingo!

On arrival led to the room by the receptionist and told that Poppy would be in shortly and I could shower. Had a read of the menu card and noted that shower time is in the time you booked..fortunately Id booked an hour. When Poppy came in 5 mins later my eyes nearly popped out...she was wearing a short back tunic and black stockings and was bursting out.. we settled on the service...massage and body to body and she disrobed...WOW. What followed was a really professional massage...expertly done which was just what I needed after all the driving. about 15 mins from the end it was time for the erotic part of the session which involved poppy first mounting the massage table to rub her superb breasts up and down my back, after a few minutes I was asked to turn over and she did the same on my front, what a sight she was...lovelly erotic massage with tickling and light scratching from nails in my most sensitive areas, touching allowed, which I did, finished with a nice happy ending. All round a very good experience.
