The Premises:

The top floor flat is located about a 4 minute walk from Maryland rail station. It is a typical punting flat, very sparse.

The Lady:

An Indian girl, maybe mid thirties, a dress size 12 with big, 36D breasts. She has a very strong accent and I struggled to understand her directions on the phone.

The Story:

The session started with covered oral and this was followed by sex in the doggy position with me standing. I asked for the session to be concluded with a slow hand job so I could spend time squeezing her very firm, ample breasts.
