The Lady:

Tina is absolutely gorgeous with perfect young 21yr old skin, a most exotic, beautiful face and smile, perfect arse, lovely natural tits. very responsive yoni that I lose word for this romanian beauty.

The Story:

I've been seeing tina numerous time ever since she started party in london with house of divine in summer 2013. I sensed that there's really special about her when I first saw her on website and then my intuition was spot on when I actually saw her (with much much better looking than images on website) we started snog each other front of a maid. very open to my suggestion and enjoys different toys that i bring. Tina and I have had a mind blowing anal sex in the past (you need to be patient for her to be in the mood, if you are patient, the reward is immense). often she shows submissive side of her that for instance, when i asked her to lick on my pre-cum stain that I made on my sexy silky see through pants, the stain was made while I was devouring her hungry cunt, she started to lick my pre-cum over my pants and then started give me a very very erotic blow job over my pants. she's very naughty girl that I'm totally addicted. not easy job to find a girl with this monstrous libido and she is a one, tina is my secret precious sex doll! Hope many sex maniac gods will find her fullfilling as she does to me. wish I could watching her getting gang banged with a lot of horny guys, that's the thought... Thank you very much TINA for giving me a great pleasure always without failing, means a lot to me!
