The Premises:

Katja works out of a tastefully decorated flat in a safe and discreet side-street Mayfair in a typical block. The shower facilities and bedroom are clean. No complaints.

The Lady:

Katja is a very attractive blonde lady as per the photos. Katja's body is toned with big natural breasts, and a sexy tush.

She is very friendly and speaks perfect English, although she is from Russia I think. I asked her to wear underwear at my request and she did so. Black stockings and suspenders with black high heels look great on her.

The Story:

Katja welcomed me in and we got the money out of the way in an easy manner, then some GFE kissing and caressing of each other.

Then we went to her bed, where she took her top off and showed me her impressive tits. She gave me a BBBJ, and then she lay on her back and let me fuck her tits until I came all over her face. We lay and cuddled then I got hard again and this time we had sex (covered) and also anal sex which felt great and she really encouraged me to 'fuck my arse harder darling' and other dirty talk.

After popping a second one in anal, we cuddled a bit more, then showered, then more cuddling. Katja is a lovely girl, treat her well.
