The Premises:

Parking is easy and the entrance is discrete behind a row of shops. The Bell doesn't work so you have to knock loudly on the door!

Inside the upstairs reception is warm and welcoming with comfy chairs and the offer of tea or coffee.

The actual room was a little small but absolutely fine.

The Lady:

Well, Elle is adorable. She is very pretty and has a lively and warm personality - all of this only surpassed by her incredible gorgeous body. Her skin is so soft and smooth and she is beautifully tanned all over. She also has lovely dark which complements her complexion - WOW! I was taken aback by her whole beauty.

The Story:

I had a very relaxing and pleasant half hour with her. She ensured that I was relaxed and comfortable all of the time and we had a great but quite explicit chat throughout which enhanced my experience. She certainly knows how to get you going and uses her beautiful body to great effect when giving a full body massage; you certainly get what you have asked for! Elle was most accommodating and was concerned that I had the best time possible whilst I was there and I have a first rate 5***** time. Thank you Elle
