The Premises:

Message Northampton is a flat above a shop on a busy street so safe enough. All nice and clean and tidy. Free on street parking nearby in residential streets.

The Lady:

Photos are accurate but didn't prepare me for this long legged stunner when she came in. She was wearing a see through dress which didn't hide much. A suspender belt stockings and red knickers completed the attire. At the end of her long legs were a pair of high heeled shoes.

The Story:

Alexa came into the room. we had a brief chat and did the paperwork, then a quite good firm back massage.

then followed blur of kissing, tit play, oral both ways, including some 69. The experience was helped by the mirror beside the bed . Alexa was well into and seemed to enjoy -as I did.

we did have the odd break while we cuddled to get our breath back.

Then on with the protection for doggy, she standing bent over the bed, me standing behind.

then on the bed with a pillow under her arse for mish. Alexa looked me in the eye the whole tome for this.

nice cuddle to finish, then shower.

Phwoar!
