The Premises:

My second visit to GFE. Good location, discrete and well presented once inside. Stairs a bit steep, not a problem for me until mesmerized by her who climbs the stairs ahead of you!!!

The Lady:

Kirsty is even more delicious than her pictures do her justice. A very friendly and attractive young lady who instantly caught my eye when she passed by as I arrived. (The other ladies who came out to say hello didn't stand a chance!) Kirsty is an intelligent, active, energetic, well spoken and well mannered girl whom I was pleased to please!

The Story:

Kirsty offered me a shower to begin, then let me undress her sexy body which was slightly hidden in her little uniform. Wow. On to a quick massage and then plenty of energetic OWO and RO in various positions. Followed by fantastic exercise in a couple of my favorite ways. I asked for, and she obliged, to a happy ending while uncovered. After she had dressed, she laid on the bed watching me shower and dress. Had time allowed, I would have devoured that girl again. We spoke for a bit afterwards in a sensible conversation about the world outside, most refreshing to find a lady who can. I need a week to recover now! Thank you Kirsty. xx
