The Premises:

Walk up parlour located on main road, entrance from alley behind shops. Basic facilities, no need for appointment. Four ladies were available, two lovely russian ladies and two brazilian ladies.

The Lady:

Sophia is a petite brunette brazilian girl in her early 20s with a slim, fit sexy body, lovely small tits - just how i like it.

The Story:

This is the second time i have seen her. She had me lay on my back and got to work on my throbbing cock with her hands and mouth, making it difficult for me to hold back. After a nice massage she was working my cock with her mouth and sucked it for ages till i came again. Didn't get to fuck her but it was still very nice.
