The Lady:

Daisy is Polish but has lived in the UK a long time and speaks excellent English. She is a genuine 18 year old, attractive, pleasantly plump, about 5' tall, shaven, and with a beautiful, smooth unblemished body.

The Story:

Daisy was friendly on the phone, and greeted me in a very sexy basque. As soon as I saw her I was glad I had come: she is one of the sexiest girls I have ever visited, though possibly not for men who prefer thin girls. I couldn't wait to get my hands on her, though she told me that whilst fucking and oral cost 80 per hour, massage was 20 pounds extra. I paid the extra, then proceeded to massage her with oil, first on her back and arse, then her legs, thighs and pussy. She had the warmest pussy I've ever touched, hot and inviting and not too tight, and soon I had my fingers inside her. She let me finger fuck her for a while, though despite my best efforts I couldn't seem to get her aroused, then I could resist no longer, put on a condom and slipped inside her.

After I'd come we lay talking. She is very talkative and friendly, though she didn't want to talk about her work, or sex, and the rest of the hour passed in conversation. She didn't do anything else erotic during this time, and in retrospect I wished we'd had more physical contact, and I'd asked her to lie on top of me or give me a massage - but it was pleasant enough, and I left well pleased with the session. She's someone I'd definitely see again.
