### The Premises:

Well above average apartment block behind Marylebone Road. Very discrete to find and the entry phone, lifts and showers actually work!

### The Lady:

A beautiful, curvy shape with lovely real boobs and a very cheeky face.

### The Story:

To be honest I was having a really off-day but there's absolutely no faulting this lady's sexy attitude. She was persistent and patient in equal measure.

Leila is a genuinely sexy lady with experience and it shows. And like many of the best she's a bit cheeky too. Loves to rim a nice, clean gentleman and likes to penetrate you too with a variety of weapons.

Mind you she'll take it too - when I was firing (briefly) on all cylinders I took her hard doggy-style both straight and anal. And it was clear she liked it.

And when I finally managed to cum she actually expressed disappointment that she didn't get it in her mouth!

Now what man couldn't be pleased by that kind of complaint?
