The Premises:

Very nice apartment, got the bigger room with the ensuite.

The Lady:

Just like her photos, Sienna is a gorgeous, blonde, Swedish princess with a very naughty glint in her eye. And a rock hard ass!!

The Story:

Gorgeous Rihanna opened the door, led me to the room and got me some water.

While I was getting in the shower Sienna came in, greeted me with a smile and a kiss and proceeded to cheekily spy on me showering. Sienna dried me down and then over to the bed...

I lay down and Sienna gently kissed me all over, I was in heaven as I lay on this sumptuous bed with this beautiful tanned blonde spending an eternity sucking my balls and stroking me with those long nails. Next it was her turn as she turned around on all fours and presented me with her perfect ass - I sat up, parted her cheeks and enjoyed the view for a moment before sliding a finger in to feel how hot and wet she was. Sienna responded by pushing back and forth, making all the right noises and when I moved on to her clit she was particularly responsive, ticklish at first but soon letting me flick and suck it whilst begging me not to make her cum too soon. After then straddling my face, Sienna moved back to working on me and looked me in the eye while she took my entire cock in her mouth, gripping it tightly with her full lips, massaging my balls and eventually bringing me to climax in her mouth.

After cleaning us both up, Sienna snuggled up to me and we had a nice chat, she was ever so friendly and I remember thinking if it ended there it was already a successful punt. Sienna wasn't having and of it though; she got back to work on me for a few minutes until I was hard again, and then she lay back inviting me to go down on her. She got so hot and wet and writhed around everytime I brushed her button, after several minutes she came quietly and beautifully, arching her toes as she let it flow through her.

Next she wanted me to fuck her and I was happy to oblige - I sat on the edge of the bed facing the mirror, she stood in front of me facing away and lowered her lovely ass into my lap, taking me inside her - another perfect moment as she took slid down to the hilt and arched her back to take me fully. More of the same followed, when I lay back she squatted over me and I could feel her rock hard thigh and ass muscles in action as she bounced up and down on me, lots of other positions followed, I don't think I'll ever forget the sight of her holding onto the mirror and gasping as I stood behind her fucking her up against it! After a good 20minutes I finally finished whilst we spooned and kissed and cuddled - a wonderful way to end a perfect punt.

We chatted as I got dressed, Sienna leaned past to reach something and apologised as she deliberately pressed her ass up against my crotch, I was tempted to strip off again and get back to it.

A brilliant punt, especially for just 45mins, the only thing I would do differently next time is maybe invite Rihanna to come in and watch ;)
