The Lady:

Slim, pretty, vivacious, blonde. Size 8 in her early 20s. The stuff dreams are made of.

The Story:

Jessica is a very pretty blonde English girl. She used to be Jessie at Le Jeu and has now gone independent. She is expensive and only does outcalls which limits when I can see her. I suspect that she sees relatively few clients, and mostly by prior arrangement.

I saw her several times at Le Jeu and have seen her several times since she has been an indie, including two overnights.

Jessie is without doubt the sexiest, nicest WG that I have seen in over 40 years of punting.

She provides most services, but this is not the main attraction. The best thing about her is her attitude, you really feel that she cares about you and that she too enjoys the encounter. She is a real gem and a rare find.
