### The Premises:

A first floor flat about five minutes walk from Belvedere railway station, the place was clean and tidy but in need of a makeover. Sheela works at other locations as well in SE and East London.

### The Lady:

Sheela offers OWO, CIM and Anal, as for her appearance you had better read my review.

### The Story:

As soon as she opened the door I felt uneasy, the person in front of me did not seem to be the lady from the advert on the other site. Sheela's pics show a tall slender well toned woman with long dark hair the person I met had dark blond hair and although she had a good body it was no where near as good as the lady in the pics, I should have turned and walked but having failed to organise a meet over the weekend I needed to see someone.

With the money out of the way we undressed and moved to the bed, I started by licking and sucking her boobs but there was zero response from Sheela she just lay there. I asked if we could 69 and she agreed, her BJ was OK and her pussy tasted very nice indeed, as soon as she realised I was about to come she took my cock from her mouth - so no CIM.

After that we laid back and chatted, the problem was she didn't stop talking. There was no attempt to initiate Round two, no kissing, no touching not even the offer of a massage. Why didn't I get things moving ?, well I do like to see a little enthusiasm even if it's fake and frankly because she didn't look like her pics I wasn't that turned on anyway. She talked for forty minutes and then ended things bang on the hour I didn't even get a kiss goodbye.
