The Lady:

Beautiful and friendly young lady, very very pretty with very long curly blond hair. Shorter than me but perfectly proportioned with a very ample busom that just begged to be squeezed. Better even than her web photo's, and stunning in her short skirt and T shirt.

The Story:

Another great experience from covergirlmodels, probably my fifth or sixth time in the past year or so, but they never fail to impress. The receptionist on the phone recommended Rachel as she was the girl who could get to my hotel at short notice. I was mesmerised from the moment Our eyes met. A sweet long kiss hello, then off we went.

A great couple of hours that simply flew by, a real girlfriend experience but so much more intense. Very comfortable to talk with as well, and in between the busy periods we just had such a nice time chatting and laughing about so many different things, a great very nice lady.

I am in town again in March, I can see an overnight with Rachel coming up as she really did tick all of the right boxes for me.

Thanks Rachel see you soon. Xx
