The Premises:

A well reported establishment, centrally located. Very clean and discrete. My only complaint about the place is that the washing facilities are not in the rooms itself. This time, I booked an appointment, which meant I had the girl of my choosing. Importune visits do not prove dividend, presumably due to the high popularity.

The Lady:

Chloe is a busty British girl, with a distinct Essex accent. She was extremely polite and presented herself admirably throughout our time together. She displays her physique well and whilst she has youth on her side, she will always have tremendous assets. I was pleasantly impressed and can see how physically she will impress any man.

The Story:

After a very disappointing encounter last time at this place, I attended again with some trepidation. I'm delighted to say that Chloe ticked all of the boxes and I received an authentic service, with no pretentiousness and no rush. As it were, things were "natural" in the passing from one to another service, all of which were given exquisitely well, from kissing, to OWO, RO and finally the coupling in various positions. I venture that anybody would enjoy the skills, attitude and splendid physical shape of this lady. I would further proffer that she would serve excellently as an independent, as when I tentatively mentioned this to her, she acquiesced that she partook in this line, but only with folk she knew and was not working externally. A real shame, as I could foresee myself frequenting her regularly if she decided to go forth and transcend into the sphere. Highly recommended.
