### The Story:

WOW!

I wanted to further explore my fantasy of being dominated and humiliated by a pretty young lass. I really wanted to be forced to rim and take some watersports and after spotting Pixies profile I thought I give her a go.

I arrived and was knocked for six by pixie - she is lovely. I explained my particular kink and she agreed to give it all to me. She checked how I wanted the WS as she explained a previous visitor asked for it but was shocked when it came .

I was stripped, made to wear some lacy knickers and put in a dog lead. What followed was a trully humiliating time and she made me do all sorts of things to her. From being made to suck her toes, eat her out, rim her and made to drink her offerings when it was time. Finally when it was my time to come she took it into her mouth and then snowballed me forcing me to swallow the lot!

I can't wait for next time as she has promised to make her bitch and do me with her strap on!

What a girl! Will I be back? Oh yes!

Pixie - thanks for an amazing time!
