The Lady:

Very pretty, better than her photos! Petite, long black hair. Quite good conversational english but spends more time on sex than chat. Another bonus in my view.

The Story:

Wonderful. This was the second time I went to see her in just over a week, something Ive not done before.

I think I may be falling in love.

I have always thought I preferred bigger girls but found Tina delightful in every way and am looking forward to seeing her again very soon.
