The Lady:

Jolene was stunning! Even better than her pictures she has the most beautiful eyes and lips and her dark skin is stunning. She has Egyptian roots and the most sexy accent - when she walked in her curves blew my mind - fantastic dark nipples which were erect all through the visit!

The Story:

Jolene put me at my ease straight away - she asked what I wanted and made it ok to say exactly what I would like. She made me very horny very quickly! She posed and let me adore that gorgeous body of hers then played with me and gave me ow - deep throat that was amazing - she massaged me and made me come over those amazing nipples in no time! There was no rush to go so we chatted and she gave me a great massage - I felt totally at home! I regretted not having an hour with Jolene - I just totally clicked with her and she promised me some more fun next time. I think I will go for the whole BDSM experience as soon as possible and definitely have a longer session!

Totally recommend Jolene can't wait for my next visit!
