Fresh-faced 22 year old brunette with perky B-cup boobs, a peachy bottom and long toned legs.

The Story:

I saw on Annabella's twitter feed that Amy was making a rare appearance in MK so rang up and managed to get a booking that afternoon, well 2 bookings in the end as I couldn't get a 60/90 minute slot at a convenient time so went with 2x 30mins (at 1:30 and 2:30).

Amy was lascivious from the moment she walked into the room, as always, greeting me with a passionate snog before I presented her with a battery powered Christmas present which she made good use of, once we'd worked out how to switch it on!

Over the next 30 mins followed the usual sensational flurry of DFK, RO, sex and OWO with the ending being even happier than ever as she allowed me the privilege of her new Swallow service.

With the first half of the booking over, I took a quick stroll around the shopping centre to recharge my batteries before returning for a second session of her Pornstar-Girlfriend-Experience. This time Amy finished the punt with CIM which she then drooled out into her hand before slurping it back up whilst looking at me with a mischievous grin as she swallowed it down!

It appears that working in the big city, at House of Divine, has made Amy even raunchier than ever and I look forward to her next day in MK.
