### The Premises:

Debbies is a discrete location close to the station.

Clean tidy and very friendly. Often has 2 girls working.

The fact that they work on the same days of each week to a clear schedule makes it much easier to repeat a great punt with the same lady a few weeks later.

Parking possible not far away, but is quite close to the BR station and bus routes, which I prefer.

### The Lady:

Mellisa is a delightful brunette, With lovely soft skin, and very well proportioned. She is not shy to share her body and I do not doubt she was genuinely enjoying herself too. No clock watching, or hurrying up, a totally positive meeting.

### The Story:

How good to be able to see her again after about a year. She was even better. Nice sexy outfit, but did not need as her nakedness was far better. She readily agreed for condom at an early stage on in case I got stiff, and I did as we French kissed !!!

Lay on the bed with her legs spread wide showing her pussy with a little bit of hair! Very Nice. I lay down and she climbed on top and inserted me deftly. Very physical fucking with her grinding her pussy against me quite hard. I could gently squeeze her wonderful breasts as she did so. Amazing as only a few minutes before I had been walking to the door!

I pulled her to me to snog some more, and as she bent forward I slipped out. No Matter I had had a good fuck with her. Plenty of pussy licking and tonging plus rimming too. She sucked me and then we moved to full on 69 with me toungeing her pussy and beyond, and she sucked and wanked me till I lost control. After the gentle tender clean up she lay back and invited me to tounge her some more. Bonus! She was fully engaged in the session and there was a delicious goodbye snog too.

Thanks for epic time - Hope to be back soon.
