The Premises:

One room, basic furnished, on first floor. TV radio playing constantly. Prominent road noise from busy traffic outside. Premises protected with a receptionist and ccTV cameras. Clean.

The Lady:

Tall, natural blonde. As in photos when she smiles, which is not often. Probably nearer 27 than the 22 stated on the website. Not from Czech republic as website states. Curvy figure.

The Story:

Very controlling and has a definite routine. Chatted to me on the bed. Then counted money and confirmed with agency. Then took my clothes off. Refused to allow me to undress her. Kept stockings on throughout. Minimal kissing. Covered BJ with red condom, active but not particularly skilled. Sex in various positions, satisfactory. Offered massage afterwards. Limited conversation. Set alarm to go off on the dot of the hour and it did not switch off automatically so session came to a prompt end.
