### The Premises:

Location was fine. Near a lot of other escorts. Apartment was very clean, with nice decor. Didn't use the shower.

### The Lady:

Girl was mid twenties or so. Fairly represented in her pictures, she's absolutely gorgeous! Petite frame, but nice sized breasts, one of the best looking girls I've ever scene. Had a very sexy Spanish accent and her smile is infectious.

### The Story:

Turned up to hers, had just finished getting ready, apologised for looking like she was in a rush. She didn't look like that though, she was picture perfect! Genuinely gorgeous girl! We sorted out the business first, then it was down to it. I asked her to take it slowly, and we kissed very gently. I couldn't believe my luck when i opened my eyes to see her! Very soft lips, very sensual kissing. Proper GFE!

I went about it as if I was a teenager, slowly peeling off the straps of her dress as she carefully pulled up my shirt. I was so horny when I saw her body - it was absolutely flawless.

I asked if I could kiss her body. She laughed and told me of course!

She lay down on the bed and I kissed right down her chest, all over her perfect breasts, then down along her stomach. When I got to her pussy I went slowly, she jerked like she was loving it. I asked if I could kiss her down there, and she said yes! No laughing this time.

I pulled her gstring to one side to reveal one of the best looking pussies I have ever seen. So trim and perfect. She moaned and groaned and get so wet.

I couldn't hold myself back any longer. Johnnie'd up and had her missionary. Her small frame wrapped around mine was so enticing, she moved along with me so well! I took her doggy, after, her ass so tight and perfect. Eventually i got her to get on top of me and she rode me like a pro! I

was planning on COB but it was just too good with her going over and over, so I finished with her on top.

After a little relaxation I asked her for a BJ. She was glad to please me and sucked me off hard. This time I managed to cum on her breasts which is one of the sexiest sights I've ever seen in my entire life!

We talked for a while, and she was sweet and lovely. I left her a little tip as she was so good, and she gave me a little kiss on the cheek. Can't wait till next month to go and see Lola again!
