The Premises:

Nice clean flat above shop on High Street. Easy to find and parking nearby. Shower facilities may be available but i had showered before leaving so didn't inquire about them.

The Lady:

Romanian girl, dark hair, probably 34c boobs. Absolute stunner. Advertises on purple site and pictures are probably a little dated as she is a little more curvy these days. I would say she is in her late teens as she said she is student back home. She is only here for a couple of weeks during college holidays.

The Story:

No DFK and OW was on offer. Still she lets you play with her body and i most certainly did. While i was sucking her gorgeous tits she was rubbing her clit and after a while she shuddered as she came.

Then nice OW and i shot my load pretty quick. After a little break i pounded her in mish and came again pretty hard. Only half an hour passed and i was totally finished. Great time.

If you want to bang a hot teen student then get round there.
