### The Premises:

Apartment in Milton Keynes, clean, tidy, simply decorated, but very nice. Lots of parking, felt very safe, discrete, very few people around.

### The Lady:

Kathleen's pictures on the web site do not do her justice, she looks great on the photos, but real life she's fantastic, gorgeous girl with wonderful body, Kathleen has a great figure!

### The Story:

So Kathleen walks in to the room wearing a tight fitting short black dress, with legs that go all the way up to her bum, we kiss and I undress and then kiss again whilst caressing. I'm then invited to get on to the bed, whilst she takes on the black dress and knickers, Wow, as she crawls up the bed towards me, so more kissing and caressing, sucking of nipples. I then ask her lie down as I kissed her body and went down on her. Clearly keen to enjoy her self I spent some time down there until she climaxed ( I was convinced), Kathleen seemed most grateful. I then lay down on the bed and enjoyed watching her giving me the most exquisite oral, I had to ask her to stop. Then on with the condom and me on top, really nice great feeling, with some more caressing. Then asked her to turn around, as we knelt on the bed Kathleen made the most of the position, it wasn't long before I couldn't hold on any longer. Kathleen then sat up on her knees and leant back into me as I wrapped my arms around her. Great visit will definitely seem her again, very horny GFE.
