The Story:

Was my 1st time meeting Tina. I am always nervous about meeting new girls. But I loved every minute with her.
She walked in looking so sexy and I could not keep my eyes off of her body and gorgeous face. I said I love to be teased and she certainly teases.

From OWO to the way she rides a cock in different positions
I asked if she does foot jobs which she grandly did, rubbing my cock up & down with her feet in stockings while passing off a sexy smile & tease

Will defiantly be going back to see Tina again soon
