The Premises:

Alexa is located in a huge new apartment complex in Hounslow, above the Asda supermarket. Plenty of parking and Hounslow Central station is nearby. Inside her flat is nice and clean with shower facilities available.

The Lady:

Beautiful girl in her early 20s, dark hair, very pretty face, very sexy package all round. She is very chatty and made me feel very comfortable. I fi saw her walking around in Asda she would definately make the little general stand to attention.

The Story:

I had originally booked her for an hour, but was kept waiting for 20 minutes, hence is switched to 30mins booking instead. After a quick shower, she offered me a massage to start with which included her leaning over and DFK. This was followed by a great OWO and ball sucking interspersed with DFK that brought me close to the edge. On with condom and i got her cowgirl so i could hold her gorgeous boobs which are natural and a pleasure to behold. I then took her in mish and then asked her to finish me off with a handjob while i played with her boobs again.

Will definately be back for more many times. Well worth every penny. Highly recommended.
