The Story:

I don't post much. In fact this is only my 2nd review. I have a thing for Thai girls. I'm a big fan of the legendary Maria and when I saw she had started her own agency I thought I'd get a chance to see her again. I called and she wasn't available but was recommended Macy. I thought ok I'd give her a try and am happy I did. Macy isn't Maria let's get that clear. A wild hour of craziness it wasn't. That's not a bad thing because the lack of madness was made up for with an hour of intense passion ticked all the right boxes for me. The thing that turns me on is the whole girlfriend experience. I love kissing that's done properly and this is what Macy offered. Not the fake open mouthed stick her tongue out kissing but proper passionate kissing with arms around your neck. The kind that leaves you breathless. That's how it started and how the whole hour went. Within the first 5 minutes I knew I was in for a good time. After a quick shower we moved to the bed and I went down on her and she liked it. It's hard to fool this old fool and either it was an Oscar award performance or she really did enjoy it. I'll go with the latter. Owo was delivered expertly enough to get me close and then we moved to missionary (with rubber) and more kissing. I was in heaven having such a young looking beauty letting me get my wicked way. A levels weren't on the menu but that's not really my thing so no loss there for me. I finished on her belly and she moped up and layed next to me kissing and cuddling. Macy seemed ready for round two but I was content enough and just layed there being caressed and soon enough time was up and I was off on my merry way a happy man.
