The Premises:

I have visited this flat on the marina before when other Polish girls worked there. It wasn't a good experience before and it wasn't today.

On the 3rd floor. Lift available, Only saw the hall and a bedroom. Modern and clean.

At least 3 other voices heard, one being a Polish male.

The Lady:

Well, I would like to be able to provide a description, but Angelina was not there when I arrived and hadn't turned up 25 mins later, so I was provided with a 19yo substitute who didn't want to be there, didn't want to do anymore than a handjob and didn't want to get naked. In the end I managed to procure a covered BJ and missionary sex with her just taking off her knickers. I think her name was Elena and she was pretty and pleasant but not a proper WG.

Apparently Angelina is known for being unreliable, so I would doubt her offer of all services including "A" at £90m and hour. This despite booking and having confirmation text messages.

The Story:

Very bad as described above as I did not get to see Angelina who may have turned up 30mins late.

I would seriously avoid this lady and this establishment.
