The Lady:

Tina is much better looking in person than the pictures, 5ft and not much taller, cute as a button, olive skin, long dark hair, 22years old, looks about 19.flawless skin, lovely small tits with responsive nipples.

The Story:

i knocked on the door and was answered by a cute young lady, who are you here to see she asked, Tina i replied. nice to meet you she said and gave a little smile, please follow me. F***king wicked i thought, i think someone else mentioned she was better looking in person and they are dead right. into the room, what do you like she asked. nothing out of the ordinary i said. started with some gentle and teasing kissing, which soon got deeper and she flicked my switch to ON!!! i won't draw pictures here but i have to say i enjoyed my time with Tina very much and look forward to going back to see her again and again. well worth a visit.
