she is fully shaved and looks good. she is very friendly and makes you feel welcome.not hurried in any way.

she does look like her photos.

The Story:

sally greets you on arrival with a big smile takes you into the room which is warm and sexy. she gave me big kiss and took her clothes of.

i have cold hands which she likes likes me to rub all over her paying special attention to her boobs which brought her nipples up as i was undressing she sat on the end of the bed and started to give me oral. I asked her to lean over the end of the bed so i could play with her ample boobs, I then asked her to kneel over me with those ample boobs hanging down on my chest giving them a good sucking and massage.

she then lay on her back while i sucked her clit and fanny she tastes nice. when she was nice and wet i lifted her legs up and slid my cock into her lovely.I asked her to kneel down so could do doggy and hold her boobs at the same.When i was ready to come she said she wanted it in her mouth.

she does spit it out.but its great.

Would go to see her again.
