### The Premises:

Easy to find property a few minutes walk from St. John's Wood underground station.

### The Lady:

Daisy is a lovely English girl with a perfect body. Her photos are very good and definitely of her. She is very friendly.

### The Story:

Daisy soon came into the room with a glass of water that I had requested. We greeted each other and kissed.

I have seen her before, so we knew each other. After paying the "companionship" fee, we began to undress.

She was wearing a lovely sexy outfit which she began taking off. I asked her to take everything off as I

love to see a girl completely naked! She stripped to her knickers and we had a lovely kiss and cuddle, playing

with each other. Soon she suggested that I help her take her knickers off, which I did with great pleasure.

Now for the pleasure zone activity! With her completely naked, I asked to lick her pussy. She lied on the bed

and moaned with pleasure while I did it. She soon wanted to attend to my cock. She gave some lovely oral without.

Then time to put on the condom for some sex. Then I suggested that we finish with more oral, so she removed the

cover, and took me in her mouth, building up the pleasure until she made me cum in her mouth. Fantastic!

Thank you Daisy for such a lovely time. As you said, I love kissing you!

For me, the pleasure really lasts, so not only do I love my time with you, I feel so good and happy when I get home.

There was no rush, and we talked about things like the weather and train tickets. I hope to see you again soon, as I mentioned before I left.
