### The Story:

This was my very first time visiting a massage parlour so before deciding to visit I looked up the reviews on this site. I had read a few on Elisha and saw she was working on the day I chose to visit so I gave Brooklyn's a call after getting over my nerves and booked to see Elisha for the hour. After arriving at Brooklyn's I was shown to a room were I showered. Just as I was getting out the shower Elisha came into the room introduced herself and gave me a kiss. WOW she was amazingly beautiful tall, tanned and toned with lovely blonde hair and smelled Devine. I just got even more nervous as I had this lovely half naked blonde standing in front of me but in no time at all she made me feel very relaxed and at ease. Elisha has a lovely way about her very sweet with a great bubbly personality. Without going into to much detail she gave me a very high standard no rush service which I was extremely more than happy with and this memory will be staying with me for a long time definitely knows how to make a man happy and put a smile on his face. I will definitely be visiting Brooklyn's again to see Elisha when I'm next in that part of the country. I highly recommend Elisha to anyone looking for some fun with a stunning blonde.
