The Story:

ive seen preeti on many occasions and have at last been ready to submit a review (my guilty pleasure),
started with caressing and cuddling as usual and then played with her amazing breasts , which are a sight to behold and on to some superb oral skills which kept me on the edge, and then we tried several postions from behind which was a joy to watch , this girl really enjoys her stuff, she also does several roleplays which we often do , which spices up the positions to no end! she never lets me down in this department , i rarely visit a girl twice but preeti has me simply coming for more! a true gem and find indeed,
