The Story:

I was shown quickly up to the bedroom, and only waited a minute for Jade to appear, hot looking girl with a nice smile, handed me some juice and a kiss, off with my kit and warmed my hands on her well formed butt, explored Jade's body, and some FK, I sat on the edge of the bed while Jade got on her knees and gave great OWO, which at times was pretty deep, on to the bed proper and the oral continued, this carried on for a while as I was enjoying laying back and watching, on with a rubber and started off In cowgirl, not long till we changed to doggy, Jade has a sweet butt to hang onto by the way, turned over to Mish, Jade lifted her legs up over my shoulder, and told me to do her harder, who am I to say no? Gave her the best 2 minutes of her life, and I shot my load!

Jade Is a friendly lady, we had met a couple of years previous In Sth Kensington, this punt was efficient and business like, we did everything I wanted, and I was satisfied, there wasn't a lot of FK, which I wasn't bothered about, from reading other reports she can be more GFE, so maybe she tailors her performance, I would visit Jade again, maybe for longer, as I think she could be even more naughty.
