The Story:

First time visiting Adele as an indie - what a pleasure! Kissing, groping, undressing before my cock was sucked expertly with plenty of attention to my balls. Cowgirl,reverse cowgirl - Adele rode my cock and she came. Then onto doggie, wow! Then mish, my hard cock seemed to do the trick as Adele came again.she then said it was my turn - she sucked me off and a full load exploded into her beautiful receptive mouth. A great time with a beautiful friendly exciting woman. On the way, I got a friendly wave from Carmella - the other part of the dynamic duo - next time it has to be both girls
