### The Premises:

Clean, tidy and spacious basement apartment in Earls Court. 2mins from Earls Court Tube. Safe area.

### The Lady:

It has almost become a cliché to say "the photos don't do her justice", but they don't. Much better looking in reality; Tall, Young, Slim, English Blonde. Somewhat easy going, comes across as a little shy, although can be very dominant!

### The Story:

I have frequented the London Retreat many times in the last year and always walked away with a smile on my face. This time was no different.

This was my second time with Amy, I have seen Lauren and Helen previously, who are also very good, however in my opinion Amy is in a different league. (Maybe it's because I prefer blondes?)

Won't go into the specific details, but again Amy lived up to my high expectations. I am not into hardcore BDSM, although she did confide in me her favourite activity is giving a hard caning, although she appears very much at ease and comfortable providing at sensual session.

My only criticism of the London Retreat (and it is a small one) is that it seems to operate a revolving door, I have often heard other punters coming and leaving. Although with that said I haven't been told to hurry up.

Nonetheless I will certainly return and would highly recommend her, she is the perfect cure to a hard day in the city!
