The Premises:

On a busy street but easy to duck in and quickly through door out of sight so no problem. Upstairs all is calm, clean and efficient. Friendly receptionist, efficient shower next to big bed. Girls come in by one to introduce themselves and you tell receptionist who you want.

The Lady:

Chanti is a curvy black lady whom I knew from the happy days of Hot Chocolate in Birmingham and a year or so ago from Soft Touch Nton but she looked different so the penny only dropped when she instantly recognised me and we were soon swapping memories and catching up on news as there was no question of not choosing her.

The Story:

I always was and am still surprised that the lady I first knew as an authoritative receptionist at Hot Choc until I liked to think I seduced her into working the rooms is so accommodating in the room. She happily does most things and with a happy good grace and that makes her really good sexy fun to be with and her vocals show her appreciation believably.

So we chatted non stop unless one mouth or other was occupied elsewhere. There were many bouts of kissing, cuddling stroking, probing, teasing and oral without, 69, sex in whatever position and chat, chat, chat.

I left feeling I had just had great sex with a beloved lover and I loved it.
