### The Premises:

Booked to Adele on Thursday and confirmed Friday morning and was given directions to her hotel and room number in Central Birmingham - very pleasant surroundings

### The Lady:

This was my first time with an escort and I had studied Punternet for some time and looked at Adele's site and her pictures - I did wonder if the pictures would be an accurate representation but I needn't have worried - when the door opened I could not believe how absolutely gorgeous she is ! A really pretty face with a beautiful smile and incredible eyes and a fabulous body.

### The Story:

I was extremely nervous but she pulled me towards her by my tie and asked "what am I going to do with you then" - We kissed passionately as she undressed me and we retired to the bed and then I spent the next 30 minutes in bliss stopping several times to just look at her as i thought she was that beautiful

She was wonderful and patient and very encouraging - I am smiling and having to adjust myself as I write this. I will be visiting her again when I can

Thanks a lot Adele
