The Lady:

About 5,3, mid to late 20sh. Slim and beautiful. Very close to photos, but a little too much make up.

The Story:

Vicky knocked on my hotel door promptly on time and at first, I didn't recognize her. It got even more confusing when she asked me who I booked. It turned out that she is Vicky and she just forgot which name I booked her under. She has a bit too much make up on, which hide her true beauty. When we dimmed the lights, the make up wasn't so visible and I could see the beautiful face just as the photos. Don't get me wrong, Vicky is a beautiful girl, she just has more make up for my tasting. Her body is cracking hot.

We started with a shared shower. Then headed to the bed. Her OWO is very enthusiastic with a lot of tongue use, just the way I like it. I returned the favour and I must say she very much enjoy the sex. She rode me with great eager, so much that I felt I couldn't last long, so I told her that I wanted CIM. She said OK, but when the time came, she was also coming and she just closed her eyes and kept increasing the pace. She came hard and then I also came after. Once she open her eyes again, she was rather embarrass that she didn't stop and let me cum in her mouth, but I said it was fine, I rather enjoyed the show. She apologized a lot and we laughed. She said she hadn't cum in days and couldn't help her self. I don't know if anything of that is true, but I don't care because it was f***ng great.

After a massage session, we continued with round 2. This time I lasted longer and she came a couple of times when she was on top, apparently. :-))I did managed to get CIM this time so every thing worked out in the end.
