The Premises:

A hotel style apartment in a large block. Neat and tidy with a concierge all in an up-market area. It felt safe and discrete.

The Lady:

Rihanna is definitely the girl in the photos. She's a VERY attractive brunette and states she is half Romanian and half Spanish. She has long dark brunette hair and a lovely face with piercing eyes and very sexy mouth. Rihanna has a lithe body with large enhanced breasts.

On my visit she answered the door wearing a tiny pink dress and black patent heels. Perfect!

The Story:

After a little confusion finding her place her room is actually very well situated in a quiet and very discrete block of apartments. Rihanna opened the door wearing a tight pink dress and black patent heels - not exactly the same but very similar to the way she's dressed on a photo on the website. Lots of cleavage and long legs, she looked amazing and just what I needed.

She put me at ease very quickly. Unlike many escorts, Rihanna isn't afraid to offer her sense of humour to the meeting, something I was a little surprised at initially but fully appreciated. She was all over me right from the start too which I found an instant turn on. Lots of groping and a little touch of suggesting I place her donation into her cleavage was a nice touch.

A quick shower later and plenty of touching/feeling Rihanna asked me to unzip her dress. How could I not oblige?

Onto the bed for some covered oral (which I prefer). She put the condom on with her mouth, a skill that all escorts should learn. Her oral technique is wonderful. She goes deep with lots of eye contact. Her mouth looked wonderful wrapped around my erection.

Sex in several positions followed with plenty of filthy-minded encouragement from Rihanna. I really should have booked an hour with her as I was enjoying fucking her so much. The sight and feel of

her in the doggy style position was enough for me and I couldn't control myself any longer. She was simply superb and I would love to go back and see her again. Leaving her with a kiss I made my way to the tube with a spring in my step and like all stunning entertainment, she left me wanting so much more!

She's a lovely lady and skilled at her job. Thanks Rihanna!
