The Premises:

Apartment in a block of flats. Clean and tidy. Parking available outside, nearest tube would probably be Hatton Cross.

The Lady:

Beautiful and sexy woman with a fantastic attitude. She also has a great personality which helps things along nicely. GFE.

The Story:

I noticed that she was wearing a wig and asked her to remove it and in reality she has lovely short black hair which makes her look even hotter.

After a massage she started with a great owo bj which had me on the edge a couple of times. The bj was interspersed with dfk which i really enjoyed especially as i could taste my pre-cum. I lay her down and sucked her tits for a while then on with the mac and shagged her in mish till i came. I lay inside her for quite a while and she wrapped her legs round me while we kissed. Total bliss.

Had a cup of tea and onto round two and another massage followed by another great hot n cold bj - a first for me. She used the half finished tea that i had left to warn her mouth and take my cock in her mouth - wasnt long before i exploded in her mouth.

Fucked her again in doggie. Great girl will be back for more.
