The Premises:

Very tidy and secure, Easy parking around area. I was introduced to all the girls working (all lovely), but was chuffed to bits when I clapped eyes on Sophia.

The Lady:

Beautiful, she is a slim, toned and lovely girl and has a sweet innocent face. Her bum is pert and tight, she look some trouble to present herself, spotlessly clean and expected the same of me - which I thinks is important too.

The Story:

Sophia is simply stunning and great fun to be with. Don't be fooled by the innocent looks - she has a mind as filthy as my own. I especially loved the way she ground her pussy into my face for quite some time, one of the nicest I've ever seen or tasted. Be struggled a bit with fucking, as the condoms supplied at GFE were all a bit small (and I'm not). If you are lucky enough to be generously endowed, I'd suggest it might be worth taking some of your own along. The conversation flowed throughout...as did some other things.
