The Premises:

Sindy has a nice clean tidy flat in a good residential area a few minutes walk from Fulham Broadway station.

The Lady:

Sindy is a very slim petite Hungarian lady in her early 40s. She has light gingery hair, small firm breasts with large responsive nipples and a pert little bum.

Sindy is well educated and speaks good English and is very friendly.

The Story:

I had seen good reports on Sindy, plus I had a personal recommendation and she looked good so I rang one day to check her location, then rang the next morning to make an appointment for that evening. I arrived a little early but Sindy gave me the flat number and asked me just to wait a few minutes before coming in.

When I saw her I was very impressed, just like her photos but nicer in the flesh in her white basque, stockings etc.

She is so petite I was apprehensive about paying the extra for anal but Sindy assured me it should be possible.

I was offered a drink and the use of Sindy's immaculate bathroom.

Once back in the room Sindy was fondling me through my pants and bent over to start sucking me, a nice touch which I like. Sindy was very keen to do all she could to pleasure me and took a little persuading to lie back on her bed so I could lick and finger her sweet pussy and bum. I was soon rock hard so Sindy covered me up and lubed me and bent over on the bed and slipped me into her pert little bum. The sight and sensation was great and I soon came.

During recovery time we had a very pleasant chat about where she is from, what she used to do etc and a nice cuddle followed by great OWO then climbed up and squatted on me for some vigorous cow girl. I bit my lip and managed to hold my fire and got her to bend over again so I could finish off in that gorgeous little bum.

Sindy insisted on giving me a massage and more kissing and cuddling, but I knew I was spent and dressed and left happy I had at last seen Sindy.
