### The Premises:

Usual flat in Milton Keynes near the shopping centre. Discrete, easy parking. Room was clean and to the usual high standard.

### The Lady:

For a 38 year old Jasmine looks great. Lovely skin tone, firm enhanced breasts and sexy backside. No complaints with how she looks.

### The Story:

I didn't have to wait long before Jasmine came in. I was pleased with what I saw. I was already undressed following a quick shower. We engaged in some light kissing. Jasmine had used a breath freshener which was much appreciated.

After a bit of mutual fondling Jasmine asked me to lie on the bed. Immediately she put a condom on me. I asked if she did OWO but she said no. I wasn't going to argue with her but did mention that the website said she did all services including anal. I took this to mean she did OWO as this is a must have for me when choosing an escort. She just said she didn't do it.

The covered blow job was okay but nothing special. We quickly moved on to sex in several positions which was excellent. I asked if I could cum on her body to which she did say yes. She finished me off with quite a rough hand job but I smiled to see her tits glisten with me cum.

She cleaned me up with tissues and then offered me a massage which I declined.

The experience was okay but I would not return purely because I wanted OWO & CIM which most escorts at Annabellas offer and the website suggests Jasmine does as well.

I think it is important punters know this.

Cheers  
S.
