The Premises:

Very clean and discrete in call near the St. John's wood tube station. The neighborhood is clean and safe to walk about.

The Lady:

The photos in her profile are of her. She is slightly above 5' tall, has blonde hair that is about mid back length. She has a small tattoo on lower abdomen. The other descriptors on her profile are accurate.

The Story:

I made an appointment with Leah recently and was very glad I did. She came in to the room to introduce herself and was wearing a hot little silk and lace black outfit. She looks great in her profile but to see her in person is even better. After exchanging pleasantries she gave me a nice massage and then we got to the main course. She got between my legs and started showcasing her amazing oral skills. Just this would have been worth the price of admission but then it got even better. She then got on top and rode me good. She does have a wild side and is not bashful in the least. She pointed out the mirror in the room and suggested we do it doggy style in front of it. After doing that we did missionary before finishing. What an amazing girl and a great time! Even though we never met before, we quickly developed a good rapport and she really made it a great experience. With Leah, nothing is mechanical. She is a genuinely nice person who made me feel very welcomed. She is perfect for a gentleman who wants to have a nice time with a classy and well spoken lady. Conversation with Leah came very easily. I would certainly recommend her. Thank you Leah!
