### The Story:

Another visit to Bonny. I have never had a bad punt with her and it's only the lack of finances that stops me visiting her more often. Her oral technique is out of this world. They say nothing sucks like an Electrolux, well they are wrong. Dysons don't lose suction...neither does she. OWO/CIM/Swallow. Fantastic. If I could I'd keep her all to myself. It takes a lot to a smile on my face but she never fails to do so.
