The Premises:

A hotel in Feltham easy and safe. I did not pass near a reception area and Nadia met me by the lift.

The Lady:

She is a brunette with small tits and a fantastic body from the dragon tattoo that breathes fire into her cunt to the cheeky smile on a pretty and open face. Her English is not great but so what when the so much else is breathless.

The Story:

Soon undressed and pressing my cock into her arse as I fondled her breasts, kissed her neck and smelt the drying newly washed hair. She eagerly grasped by cock and was soon on her knees as I fucked her face her oral skills all without are great deep with spit and no hands. Her hands were massaging my balls. This type of sex is frantic and soon in 69 I was lapping away at her tasty fanny and pushing a finger deep into her. She was wet and I finger fucked her for many minutes as she extracted the semen from my cock. I wanted to come soon so that she could get a second go at fucking me properly. Nadia snowballs willingly and I gasped for air as the orgasm petered away. The rest was with a drink of water and her tits rubbing my chest onto my tummy and a very pleasant massage with firm hands and oil she slipped across me. My arse was given due attention and I was soon stirring I pushed up with my bum and her hands slid beneath and gave me a great ball and cock massage I was hard again. I could just have cum but I wanted to fuck this foxy chick and so onto my back, the condom applied with the mouth and I enjoyed cowboy slowly, doggy slower and slowest of all deep missionary which changed it spoons as I held her close and rode to a leisurely but fantastic orgasm cock stuffed right to the balls up her tight cunt. Nadia moans, grunts and moves as if she is into the sex. There is the language of fucking which is easy to understand and this woman has a good honours degree in it.

She visits from her home in Hungary on a regular basis, with luck I will fuck her again next week if not then I will watch out for her future appearances.
