The Premises:

HOD2 sready well described by others. A flat with at least three rooms. Clean and safe with a company brass plaque outside of the entrance. Free parking on Saturdays. Less then ten minutes walk from the tube station.

The Lady:

Just like her photos so check the site. Probaly not a real blond as I could see dark roots and her eyes are hazel/brown. Attractive face with well defined cheek bones and nice curvy slim body, about 5ft 6in.

The Story:

I phoned for a 14:00 appointment on the Friday and was asked to call at 11:00 Saturday for confirmation. I called at about 11:05 to confirm, but I asked to bring forward the appointment and thought that 13:30 would suit me better so I called again to rearrange. I started my drive from Enfield to NW8 as I had done on 1st March to visit Pam, however, I took a different route and got stuck in traffic. I called and asked if I could have back my 14:00 appointment as originally requested but was told that this slot was taken. I was told that Pixie would only be available at 17:30 at the earliest so I asked for this time slot and the receptionist asked me if this was definitive and I confirmed that I would be there.

This time I knew that the brass plaque was HOD so I rang and made my way in.

I waited in the bathroom for a few minutes then went upstairs to wait for Pixie. I removed my boots and got the money ready. In came Pixie in black g-string and bra. She looked great, just like her pictures I got up and straight away we started kissing. She told me to "take off your cloths" almost like an order, so I obeyed and removed my cloths thinking to myself, she likes to be dominant.

Standing up she removed her bra but I asked her to keep her knickers on as I wanted to remove them;

"How are you going to remove them?"

"With my cock!"

She looked at me surprised and doubtful

"I would like to see how you do that!"

We kissed and embraced and she played with me until I was hard and then I turned her around so I could admire her bum and teased her pussy and arse over the material of her g-string pulling it up further into the crack of her arse. By then I was very aroused and couldn't wait any longer and pulled her g-string down so that I could grope her pussy.

"I thought you were going to use your cock?"

"I can't wait to see your pussy"

I turned her around and made her lay back, I pushed apart her legs and admired her shaven cunt. I went down on her and started to lick, suck and stimulate her as best I could. She responded straight away and seemed to get wet very quickly and within a few minutes was pulsating her body to orgasm. If it was fake then it was very convincing but the dampness I swallowed seemed evidence enough for me. She kept saying "you are good at this you naughty boy" and moaned and quivered with pleasure.

Then it was my turn to lay on my back and Pixie sucked me.

"you have a nice big cock"

"thank-you, slow down a bit I don't want to come too soon, lets do a sixty-nine"

So we changed to 69 and I worked on her again and again she became wet and aroused. Her sucking was excellent and I had to ask her a second time to slow down. I wanted to come into her mouth at the end, I doubt I could come twice in 30 minutes but with Pixie that could be possible. Next thing on the to do list – to fuck! So on went the condom and we started with cow girl for a bit. While on my back I started to tell her about my last visit to Pam;

"Shut up!" she said and then planted a deep French kiss onto my mouth while pinning my wrists to the bed so that I couldn't move.

" I want to fuck you, I want to use my cunt on your cock!". OK, I thought, less talk more action!

I then sat up so we were facing each other while I was still inside her and we kissed a bit more then suddenly to her surprise she fell onto her back, she laughed. Just right for some missionary so I leaned forward and started to pound her really hard

" aahh yes I like that! Fuck my cunt!"

I love it when Pixie talks dirty so I increased the speed and held onto the sides of the bed as it was shaking so much.

"aahh, mmmm, fuck me harder, fuck my cunt!"

How could I possibly go faster without breaking the bed! I felt her dampness again and then decided to withdraw, I had run out of stamina, I should go to the gym, workout to become stronger and then come back to fuck her more.

Then some more oral, she licked and sucked, she held the head of my cock so that the sperm

would fly into her mouth but I wanted to come inside her mouth so I gently pushed the back of her head and she obliged by letting me come inside her mouth, my knob was so sensitive the pleasure was almost painful but a great end to an energetic, horny, porn star experience.

We dressed and chatted. I asked her about Izabel, my next mission, and told me that I would not be disappointed with her. While at the top of the stairs I told her about punternet, she does read her reviews. I promised her a good one. She told me that she will read it and play with herself while reading it!

"aahh Mr. Giovanni with my dildo and vibrator!" she said, while making a little dance and hand gestures in her groin area with imaginary dildo

I saw the maid waiting for me downstairs listening to our conversation, one last kiss to say goodbye and as the maid was about to open the door she said,

"Is Pixie being bonkers again?"

"She's lovely, lives up to her reputation" I said, with a broad grin and weak legs I walked back to my car
